 - Toys New and Used
 - Clothes New and Used
 - New Socks and Underwear
- Read to Feed

Giving Back

- Teacher Appreciation Week
- Book Donation to School Library

PEG Meetings

1st Meeting Thursday
Sept 22 7PM

October - June 1st Thursday
7PM

As you can see above PEG works hard to bring more to the students, parents, teachers, and people locally and globally. It is PEG's intention to provide everyone with a terrific year, through enrichment programs, events, and fundraisers.

Pumpkinfest is our biggest family event where everyone is invited to enjoy a hay ride, each other's food, crafts, games, prizes, and smores! It is a memorable night seeing the backyard lit up with the students carved pumpkins and the full moon in the distance. This is the parents first opportunity to meet your child's friend(s) they come home and talk about every day and even their parents.

The **Silent Auction** is PEG's biggest fundraiser providing parents with a night out to enjoy food, drinks, and great adult conversation while giving them the opportunity to bid on fabulous items at a fraction of their actual cost.

Giving back is important to us in PEG and even more important to us is to teach our kids to give back, hence our **philanthropic** programs.

PEG is truly a great group of people and they work hard all year! Without PEG we would not have all the special programs outlined above. If you would like to be a part of PEG, even if you cannot attend the meetings or you can please leave your information. Or you may contact us at peg.silverspruce@gmail.com.
